

Welcome

Welcome everyone to Primary 6! It is great to welcome you back to another school year. I want to say a huge well done to everyone for settling back into school with a positive and hardworking attitude. I am sure we will have a fantastic year and I am looking forward to making lots of memories!

Miss Bradley will be the other Primary 6 teacher and she will take the class solely on a Thursday afternoon and all day Friday. She will also be in class supporting us on a Wednesday morning with writing.

Mrs McDonald

Other News

Our P.E will be held outdoors on a Monday and indoors on a Thursday. On these days children should come to school wearing their school polo shirt and jogging bottoms/leggings. On a Monday trainers and a jacket will also be needed in case of wet weather.

Homework

Homework will be issued on Google Classroom on a weekly basis. It would be appreciated if pictures of work could be uploaded or homework jotters can be handed in so I can see how everyone is doing.

Our Learning So Far

As we settle into Primary 6, we are revising our place value and multiplication knowledge. We have also just begun our class novel of War Horse which we will use as we learn and apply our Active Literacy reading strategies.

War Horse is closely linked to our interdisciplinary topic of World War One which I know the class are eager to learn about. This topic will have cross-curricular links with, Literacy, Social Studies, Expressive Arts, and I.C.T.

Ready, Respectful, Safe

All children are expected to follow our school rules shown above. Primary 6 pupils understand that 'above and beyond' behaviour is what is expected.

Pupils who demonstrate a positive attitude to school and their learning will be rewarded in many ways. When children go 'The Extra Mile' they will move our recognition wall. Primary 6 can also earn Beckford Bucks which they can then spend on rewards.
